**ENROLL NOW! CLASSES START Sept. 11, 2014**

The City of Los Angeles Fire Department, in collaboration with Councilman Gil Cedillo Council District 1, the Arroyo Seco Neighborhood Council Public Safety Committee and Highland Park Chamber of Commerce is proud to present this valuable training to the public. The City of Los Angeles Fire Department's Community Emergency Response Team (CERT) program was developed to provide basic training in safety and life-saving skills to the general public.

Following a major disaster, police, fire and medical professionals may not be able to fully meet the demand of helping all those in need. People will need to rely on each other to meet the immediate lifesaving and life sustaining needs, particularly if main roads are obstructed or inaccessible.
